Thank you Ben! But I think I'm not invited, maybe as a cook... ;) Hey Friends, I tried to create a French site on Jackie. I reported BOJOTW as a partner, I hope that there's no problem. The link is there. Please go ahead and tell me. Thank you! <http://jackieevanchoenfrancais.weebly.com/>

Congrats, Claude! I like those big images of Jackie that you put out – they show up really nice :), even though I don't understand a word from your site, LOL!!
Wishing you tons of followers to your JME fan site :)
